Notwithstanding the foregoing, Property Manager reserves the right to reasonably require User to carry additional coverages, or higher limits, based on the nature of User's proposed activity at the Facility. The insurance coverage required hereunder shall include contractual liability coverage to insure any liability of User arising out of the indemnities provided for in this Agreement and shall include the following parties (and others as Operator and/or Property Manager may reasonably designate from time to time) as additional insured parties (collectively, the “**Additional Insured Parties**”):

All policies of insurance required hereunder shall be evidenced by certificates of insurance issued in form reasonably acceptable to Property Manager, issued by an insurance carrier qualified to do business in the State of Nevada and otherwise reasonably acceptable to Property Manager. Such certificates of insurance shall be delivered to the Coordinator no later than thirty (30) days

prior to User's scheduled event, and, in any case, delivery of such certificates of insurance shall be a prerequisite to any obligation of Property Manager to provide User with access to the Facility for User's event(s).
